RFP for Specialized Tutors

The new program **ACE** (Accessing Choices in Education) will be open to all Native American 5th-12th grade students attending Yerington Schools. The ACE program puts the decisions and choices in the hands of the parents and students when it comes to academics. The possibilities are endless. Services that will be offered are as follows but not limited to tutoring, specialized tutoring, ACT prep and testing, remedial and advanced credit, other opportunities for homeschooling, and Paiute Language for credit.

The Yerington Paiute Tribe will be implementing the new ACE Project starting in the Fall of 2021. As part of this project, the Yerington Paiute Tribe is seeking individuals who are motivated and diligent when working with youth, as well as experience and knowledge in the following areas of services.

Specialized Tutor:

- Organize and schedule all needs associated with service
- Higher/Advanced Level tutoring for Math, Science, & English
- Conduct tutoring sessions with individuals
- Develop an evaluation and monitoring plan that will be used in determining progress

Those interested in offering tutoring services will need to:

*Submit a letter of interest and resume, noting experience in teaching and working with tribal youth.

*Submit any teaching certificates or scheduled action plan for higher/advanced tutoring sessions

*Forward all questions and comments to the ACE Project Assistant

This information must be submitted, by August 6, 2021 to:
